Forecast for Sunday 30 May 2021

Weather: Dry and mainly clear overnight, but low cloud and mist forming over some of the foothills, most likely across the Ochil and Angus Hills. This will lead onto a mainly dry and mostly sunny day, any low cloud and mist soon clearing in the morning, perhaps a little fair weather cloud in the afternoon with the chance of an isolated shower. A mainly fine end to the day, sunny then clear, although some mist and low possible by midnight.

Chance of cloud free mountain/hill tops above 800m: 90%.

Visibility: Mostly good or very good with no significant cloud, although moderate or poor in any low cloud overnight and early morning, base 600m or less.
